08-05-2023	<p>Today i dont have any meeting , so i focus on my courses. As for today i already finished "Browser Based Models with TensorflowJS" course</p>
09-05-2023	<p>Today i have ILT ML session at 16:30 WITA. About my course ,i continue to the second course "Device Based Model with Tensorflow lite" and already done week 1</p>
10-05-2023	<p>Today i have weekly consultation at 11:00 WITA. Today i start making my soft skill #5 assignment and already halfway to finish. Also i finished week2 of second course today.</p>
11-05-2023	<p>Today i have finished my soft skill assignment and submitted it. I also have finished the second course of TF Data &amp; Deployment today.</p>
12-05-2023	<p>Today i dont have any meeting session so i focus to continue my third course on TF Data &amp; Deployment and i already finished until week3</p>
15-05-2023	<p>Today we have student team meeting at 14:00 WITA, and i also held meeting with my capstone team at 20:00 WITA to discuss about datasets for training our model.</p>

16-05-2023	Today i have ILT soft skill session at 16:30 WITA. This session was about Professional Communication and Networking. Where in this session i discover that my communication style is "Analytical"
17-05-2023	Today i dont have any meeting nor ILT session. As i have finished all the mandatory courses, today i just use what i have learn by participating Kaggle competitions
18-05-2023	Today i held meeting with my capstone team, we discuss further about dataset. We also discuss about which virtual machine to use on google cloud
19-05-2023	Today i have weekly consultation on 15:00 WITA. I also continue working on my capstone progress, i found interesting article that was about the same topic with my capstone idea
22-05-2023	Today i got announcement email for my capstone advisors and i contacted them. I also start doing my soft skill #6 assignment.
23-05-2023	Today i dont have any meeting schedule so i continue my soft skill assignment #6 until finish then uploaded the video to youtube and submitted it to classroom.
24-05-2023	Today i have weekly consultation with mentor at 11:00 WITA. I asked about how to fill capstone working doc because tomorrow we will have capstone mentoring session.
25-05-2023	Today i have capstone mentoring session with my second advisor at 14:00 WITA. After that i have machine learning ILT session at 16:30 WITA.
26-05-2023	Today i report my learning progress to my supervisor and submitted the evidence to the google form. I also have ILT english session at 19:30 WITA.
29-05-2023	Today i dont have any schedule but capstone mid checkpoint deadline soon so i start creating progress report doc with my team.
30-05-2023	Today i have one meeting schedule that is ILT soft skill session at 14:00 WITA. The session about personal branding and interview.

31-05-2023	Today i have one meeting schedule that is weekly consultation with mentor at 11:00 WITA. Today also the deadline of mid checkpoint so i submitted the form today.
01-06-2023	Today i held meeting with all my capstone team. We discuss about our product development progress, schedule and final deliverables
02-06-2023	Today i have weekly mentoring session with my capstone advisor Rendy Aries Fajrin. We discuss about our progress and final deliverables.
05-06-2023	Today i dont have any meeting with capstone team, but i focus on working for our final application product so we can submit final deliverables before due.
06-06-2023	Today i dont have any meeting with capstone team but focus working on capstone. I also have submitted soft skill #7 assignment as for today.
07-06-2023	Today i have weekly consultation with my mentor, kak lusi. We mostly talk about problem we have on our capstone product.
08-06-2023	Today i dont have any meeting with capstone team, but i focus on working for our final application product so we can submit final deliverables before due.
09-06-2023	Today i plan a weekly mentoring session with my advisor kak Rendy at 22:00 WITA. But unfortunately he cant join because have problem with his internet so i reschedule it.
12-06-2023	Today i have mandatory session to attend, that is student team meeting 4. On capstone progress, we just need finishing to mobile application and then make presentation slide.
13-06-2023	Today i have mentoring session with my advisor about presentation slide. We now focus on creating presentation slide for ten-minute video presentation.
14-06-2023	Today i focus on making final deliverables for capstone. I assign each my team member to make specific part of the final deliverables.
15-06-2023	Today i focus on creating presentation video for final deliverables capstone. I assign each my team member to make presentation video of specific part they make yesterday.

16-06-2023	Today i focus editing our ten-minute presentation video and submitted every capstone final deliverables before deadline. I hope i get good result.
19-06-2023	Today i and my capstone team focus practicing our capstone presentation because tomorrow we will have our presentation.
20-06-2023	Today i have capstone peer review presentation at 14:00 WITA. We already practiced our presentation yesterday so our presentation run well i think.
21-06-2023	Today i only have a short weekly consultation at 11:00 WITA. I also start making my final report for kampus merdeka today.
22-06-2023	Since capstone finally done, i start to focus on my extra course. Also today i have ILT EN session at 19:30 WITA.
23-06-2023	Today i dont have mandatory meeting so i continue my extra course on dicoding while waiting the announcement for capstone to 65 team.
26-06-2023
